SUMMARY

Enthusiastic and detail-oriented MCA student with strong front-end and back-end development skills. Proficient in React.js, Node.js (Express), MySQL, and Tailwind CSS. Experienced in building full-stack web applications, designing RESTful APIs, and managing relational databases. Passionate about developing scalable, user-friendly digital solutions and eager to contribute to innovative development teams as an entry-level Software Developer.

SKILLS

- **Front-End:** React.js, HTML5, CSS3, Tailwind CSS, JavaScript (ES6)
- **Back-End:** Node.js, Express.js, RESTful API Development
- **Database:** MySQL
- **Tools & Technologies:** Git, GitHub, Postman, VS Code, API Testing, Version Control

EDUCATION

Master of Computer Applications (MCA)

SSBT College of Engineering and Technology, Jalgaon │ 2023 – 2025 │ CGPA 7.46

Bachelor of Computer Science (B.Sc.)

Dr. Annasaheb G. D. Bendale College, Jalgaon │ 2021 – 2023 │ CGPA 9.27

INTERNSHIP

Software Development Intern

Tech Amica IT Solutions – Buldhana │ Feb 2025 – July 2025

Technologies Used: React.js, Node.js (with Express.js), MySQL

Description:

- Developed and maintained modules for an E-Grampanchayat System, a full-stack web application.
- Implemented role-based authentication for user and admin login functionality.
- Designed dynamic data entry forms and interactive dashboards to manage Panchayat services.
- Integrated a MySQL database for efficient data storage, retrieval, and reporting.
- Supported deployment and quality testing to ensure production-ready functionality.

PROJECTS

Restaurant Website

- Designed and developed a responsive restaurant website using HTML, CSS, and JavaScript.
- Implemented interactive UI features including menu display, location details, and contact form.
- Ensured cross-device compatibility with a mobile-first, responsive design.
